**WMEI SEMINARS**

Since 1982, the **World Methodist Evangelism Institute** has conducted scores of international and regional seminars, training more than five thousand delegates from over 120 countries. It is significant, then, that the theme of this Evangelism Seminar is "That the World May Know Jesus Christ."

**THEME**

The theme "That the World May know Jesus Christ" invites the world church to focus on the contextual & eternal implications of the gospel. It focuses on Jesus Christ as the Savior of all humanity, for every person, race, culture, and people in every millennium. It urges churches to dynamically discover new methods of evangelism and mission for and by varying cultures around the world.

**TREMENDOUS OPPORTUNITY TO**

- Meet over 100 Leaders, including Methodist Bishops, Clergy, Lay, and Evangelism Leaders.
- Develop Future Relationships with Methodist Leaders.
- Experience Evangelism in a regional Context.
- Learn Strategies of Church Growth, Evangelism and Mission in the regional experience.

**CONFERENCE SPEAKERS**

International speakers and teachers will engage our theological and practical thinking on issues related to presenting the gospel in the new millennium. These will include World Methodist Evangelism Institute Professors and Faculty as well as Bishops and Heads of Churches from the Methodist/Wesleyan movement in the regions.

**INTERPRETERS**

**Simultaneous translation** is available during each seminar for English-speaking delegates.
